

2016 is the year of TAKING CARE OF EACH OTHER! We wanted to give you a method to be a blessing to others.

Is there an event you have been wanting to take your client to? Do you want to throw a party for your team? Do you want to deliver flowers to a different community member every month?

For 2016, Compass has a generosity fund that can provide you with money to do those kinds of things.

So, how does it work?

You must fill out the form below. Your request will go before the generosity committee to be approved or denied. The generosity funds are limited, so it is possible not all requests can be granted. If your request is granted, you will need to submit receipts to verify how the money was spent.

SUBMISSION CRITERIA:

CREATIVE: Your idea is well thought out and innovative

MAXIMUM BENEFIT: Every dollar will be used wisely

VALUES: Your idea lines up with Compass values
